Re: Requested Confirmation of Instructions to Transfer

Dear Dr. Reamey:

This letter confirms our receipt of your instructions dated September 10, 2002 to transfer a portion of the Arcturus patent portfolio that pertains to laser capture microdissection to the address below:

Rimas Lukas
P.O. Box 3295
Half Moon Bay, Ca 94019
Business (650) 560-0076
Fax (650) 7267145

We estimate that it will take us approximately a week to gather the materials and file the required papers with the U.S Patent and Trademark Office. Therefore, the files marked with an asterisk will be available for pick-up on Friday, September 20, 2002 at Morrison & Foerster's Palo Alto office. As for the remaining files, we will do our best to have the files available by September 27, 2002 or as soon as possible thereafter.

We have chosen not to photocopy the files. We have made this decision based on the understanding that Morrison & Foerster will be granted access to it in the future, if necessary, for review or photocopy purposes with reasonable notice during normal business hours.
